Document Fo7:

## **Project Report**

Time to reflect on your project and what you have found. You can either use this template or create your own report document.

Project name: Team members: School: What was your project about and why did you choose it?

| Which part of the project excited you the most? Why? |                |                  |          |  |  |
|--|----------------|------------------|----------|--|--|
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                |                  |          |  |  |
|  |                | sing this Cha    | llenge?  |  |  |
| What did yo  | ou learn by do | ing this Cha     | iterige: |  |  |
| What did yo  | ou learn by do |                  | tterige: |  |  |
| What did yo  | ou learn by do |                  | tterige: |  |  |

| What did y   | ou learn by do | oning triis Cria | tterige: |  |  |
| What did y   | ou learn by do | oning triis Cria | tterige: |  |  |

Your teacher must be happy with your report, then you upload it to the 123Tech site (the same place you update your blog) to get your First Certificate and to enter the Regional then National 123Tech Championship.
